GELATI E CICLABILI 2010

Starting on May 15

Every Wednesday in the summer and many Sundays: cheerful evenings by bike.

We'll guide you to meet the best ice-cream makers biking on the cycle ways in and around Bologna. On this 2010 seventh edition "Gelati e Ciclabili" offers evening appointments from May to September: two happy hours with departure from Piazza Maggiore in Bologna.

Every evening – with a different topic (the cream, the chocolate, the sorbets, ...) - we will "test" two ice-cream shops, located near the existing cycle ways and reached easily by anyone bicycling (with any type bike, well equipped in particular with the lights).

It will be a way to:

- let everyone know the possibilities of bicycling in Bologna and the surrounding areas;
- appreciate the art of companies - often small shops that cannot sustain the impact of the shopping centres or franchising groups – that give high quality to the ice-cream;
- know "the chemistry of the ice-cream" or why the ice-cream is healthy;
- bring safely together families (parents and children) by bicycle to (re)discover Bologna;
- see if it is possible, in the dark, cycling on the cycle ways as during the daylight...

Every ice-cream shop will be voted by the participants, who will be required the delicate task to test (and taste) two flavours (one on the topic suggested) in the two ice-cream shops during each evening.

Among all the compiled cards will be made a classification of the ice-cream shops.

Among those who attended the most number of evenings will be extracted three portions of 1 kg each of ice-cream as a reward from the most voted ice-cream shop.
